Now You Know

- RMs, Pest Control Officers, and Farmers can buy directly from us!
- We offer free delivery to RMs in Saskatchewan!
- **GWP** offers a convenient pickup location in Moose Jaw, available Monday to Friday, 9am to 5pm.

We at **GWP** wish our valued customers and community a Happy New Year and we look forward to serving our customers across Saskatchewan throughout 2026.

We have been informed by our suppliers and manufacturers that price increases are expected in the new year, but no further details have been given. **GWP** will hold 2025 pricing until Friday, January 16th. As soon as we receive new pricing, RMs will be emailed directly.

Deliveries are scheduled to resume at the start of March, unless requested earlier. We are pleased to receive orders in advance, as this helps us plan and prepare trips efficiently.

To ensure accuracy, we ask that all orders be emailed in. Each order received will be confirmed by a return email within 48 hours.

We at **GWP** not only carry rodenticides, but we also bring in insecticides to help control pests. If you are looking for a specific pesticide, please call our office, we are always happy to help.

If you have any questions about invoicing, orders, or products, please call our office at **306-631-9488**. Joanne will be happy to answer your questions.

GWP is celebrating 30 years in business!

We truly value our customers and appreciate the support you have provided over the years. Thank you!

"It is with a lot of pride and satisfaction that I look back and see what started as an idea grow into the business it is today!"

–Grant Peeling

In January, we invite you to visit our Facebook page, where we will post a video showcasing our history, roles, and some behind-the-scenes shots of **GWP**.

Each RM has been mailed a 2026 calendar!

Keep it handy at your desk, hang it in your bait shed, or give it to your PCO!
