

SASKATCHEWAN PEST CONTROL OFFICERS ASSOCIATION **CONVENTION SPECIAL**

Use tamper-resistant bait stations to prevent accidental poisoning of children and pets.

BAIT STATION SALE

JT EATON TOP LOADER

Rat & Mouse

- Versatile and tamper-resistant stations designed for a wide range of indoor and outdoor applications.
- Can be secured to the ground or other structures.
- Elevated bait holder keeps bait dry.

6 Stations per case

PROTECTA EVO EXPRESS

Rat & Mouse

- Includes concrete block, and 4 vertical bait rods.
- Removable tray for easy cleaning.
- Ramped entries and internal baffles help keep bait and traps out of reach of children and non-target animals.
- Hole in base for anchoring to ground, and 2 rear holes for securing to structures.
- Can also hold T-Rex rat traps and Mini-Rex mouse Traps.

PROTECTA MOUSE

Compact mouse stations designed to fit snugly against walls and corners where mice commonly travel.

Ideal for: under pallets, work benches, toolboxes, inside cupboards, and behind appliances.

12 per box

#PR2620

#EM1212

Commercial class rodenticides must be placed in a tamper-resistant bait station.

TAMPER RESISTANT PROTECTS CHILDREN, PETS, AND NON-TARGET ANIMALS

**This sale applies to the Saskatchewan Pest Control Officers Association Convention
being held June 16th & 17th in Regina.**

Your Pest Control Officer must pick up the bait stations at the convention!

All orders must be in by Friday, May 29th!
